Final Note by the First Member of Council.

Subject:—

Succession to the Pita of the Bhimanakatte Mutt, Thirthahalli Taluk.

In continuation of my Final Note dated 20th February 1925, I beg to state that the proposal made therein to recognise the - right of the Swamigalu of the Bhandarkere Mutt to nominate a successor to the Bhimanakatte Mutt having been approved by His Highness. Government Order No.1348/Muz.39-22-46 dated the 14th March 1925 was issued requesting the Muzrai Commissioner to ascertain the name of the nominee of the Bhandarkere Mutt and submit the same for the approval of the Government. The Muzrai Commissioner reported that the Bhandarkere Swamy selected one Ved. Bodhacharya, grand-son of the late Sri Raghubhushana Tirtha Swamy of Bhimanakatte Mutt and recommended approval of Government to the above nomination, as the - - candidate selected was suitable in all respects and was qualified for the place. He was thereupon requested to ascertain and report the wishes of the disciples of the Mutt in regard to the above - nomination. He visited Thirthahalli recently and made enquiries in the matter. He reports that a small group of disciples in and about Thirthahalli appeared to be in favour of Ved. Hayagreevachar's son who is 7 or 8 years old, whose claims were rejected by the - Shimoga Deputy Commissioner during his previous enquiry in 1924, and that much weight cannot be attached to the above opinion. Having regard to the fact that the right of nomination is vested in the Swamy of the Bhandarkere Mutt and that there is no specific objection against the person nominated by him, he is of opinion that the nomination of Ved. Bodhacharya to the Headship of the Bhimankatte Mutt may be approved.

2. The right of the Swamy of the Bhandarkere Mutt to nominate the successor to the Bhimanakatte Mutt having been recognised by Government, the nomination made by him cannot be rejected unless the nominee is considered ineligible by reason of any disqualification. The Muzrai Commissioner's reports go to show ~~that~~ that the nominee of the Swamy of the Bhandarkere Mutt is a Brahmachari of 14 years of age and of good parentage, being the grandson of the previous Swamigalu in his Purvasrama and that the objection taken to his nomination by a few of the disciples of the Bhimanakatte Mutt is not on the ground of his ineligibility, but because of their desire to have somebody else -son of Ved. Hayagrivachar- appointed to the place, as desired by the late Swami. In the circumstances, I am of opinion that the nomination made by the Swamy of Bhandarkere Mutt may be ~~previously~~ approved as recommended by the Muzrai Commissioner. I therefore beg to submit for the gracious approval of His Highness the nomination of Ved. Bodhacharya for the Headship of the Bhimanakatte Mutt.

Sir,

With reference to para 2 of your memo No.1348/M.F.59-22-45 dated 14th March 1925 requesting me to take further action in the matter of the succession to Bheemanakatte Matha and to report the name of the nominee for the approval of Government as required by standing orders, I have the honor to submit herewith Srimukha dated 4th April 1925 ---- presented to me this day by the local representative Mr. M. Madhava Chari on behalf of the Swamigalu of the Bhandarkere Matha stating that Ved.Podhacharya son of Udipi Ramacharya (and grandson of the late ---- Swamigalu in Purvasrama) a brahmachari of 14 years and of good parentage has been selected by him to succeed to the Peeta and requesting that -- sanction of Government may be accorded to induct him into Sanyasrama on the 29th April 1925, as no other auspicious day could be found for the next 3 months.

As the candidate now selected seems to be suitable in all ----- respects I beg to recommend that his succession to the Peeta may be - recognized and the Swamigalu of the Bhandarkere Matha permitted to -- conduct the necessary initiatory ceremonies on the day fixed by him.

The Deputy Commissioner of the Shimoga District and the Sub -- Division Officer will be requested to be present at Bheemanakatte on the 29th instant and render the necessary help.

2. The Swamigalu further requestes that the Vigrahas in the matha now now under safe custody may be delivered to him 5 or 6 days previous to the 29th instant for conducting the necessary purificatory ceremonies,

ceremonies, as these vigrahas were not being worship
3 years,, as also the vessels and other moveable properties of
for conducting the santarpane etc.,

The Deputy Commissioner will, be instructed to comply with this request of the Swamigalu under proper safe-guards and to take them back as soon as the occasion is over.

3. This still leaves the question of the management of the matha and its vast endowments for future consideration. The Swami-elect being still a minor his future education and training have to be arranged for. This depends upon the decision of the Swamigalu of the Bhandarkere matha to leave the minor Swami at Pheemanakatte or to keep him at Udipi in his matha till he comes of age and is able to manage the matha affairs. A detailed report on these matters will be submitted separately for the orders of Government after making the necessary enquiries.

4. As the day fixed for giving asrama is very near, I solicit early orders of Government.

Sir,

With reference to correspondence ending with your letter No. 1712/M.F.59-22 dated 26th May 1925 in the matter of the succession of Ved. Bodhacharya to the Peeta of Bheemanakatte Matha, I have the honor to forward herewith copy of letter C.C.No.75/22-23 dated 26th May 1925 from the Deputy Commissioner, Shimoga District, stating that it is -- learnt by the Amildar that there are about 15 families in the State - owing allegiance to the matha and that about 13 of them are of opinion that the selection made by the Swamigalu of the Bhandarkere matha is not in the interests of the institution and that Ved.Hayagrivachar's son should succeed to the Peeta.

2. In their statement before the Amildar, the disciples say that the late Swamigalu had halted in their village before proceeding on tour on the last occasion and that having been questioned about the - succession to the Peeta in view of his advanced age, the Swamigalu had promised to make Ved. Hayagrivachar's son his successor and that with that object alone he had father and son with him and pray that as the boy is fully qualified and as the selection of Swamies for the last 3 generations is being made in Hayagrivachar's family, the --- present vacancy may be filled up by recognizing the succession of --- Ved. Hayagrivachar's son - Memorial dated 12th April 1925 addressed to His Highness the Maharaja by the disciples and well-wishers of the Matha in Belgaum purports to be to the same effect.

3. Having regard to the fact that the right of nomination vested in the Swami of the Bhandarkere Matt, and that he has cho a certain candidate, I do not think that much weight can be attached to the objections expressed by a small group of sishyas of the Matt in and about Thirthahalli. There is no specific objection to the boy selected by the Swami but the Sishyas in Thirthahalli express a --- wish in favour of another boy said to have been selected by the late Swami of the Bhanmakatte Matt.

In the circumstances I am of opinion that the selection made by the Bhandarkere Swami may be approved.

I have the honor to be,

Sir,

Your most obedient servant,

He --- enquired about 13 families and they are reported to be of opinion that the present selection is not in the interests of the Matha and that Ved. Hayagrievachar's son should succeed to the Peetha. I would add that during your recent visit to Thirthahalli you have also made enquiries in the matter."
